

Ngā meme whakahau

Campaign memes — English edition

Six campaign memes for sharing on social platforms. Each meme appears in this booklet with its full caption in English, the bilingual cover image, and the URL of the single-language English variant. All assets are CC-friendly and free to repost.

RAUPATU IS NOT HISTORY.

*He raupatu matihiko tēnei.
It became digital.*

AI companies extract te reo Māori, mātauranga Māori, and Indigenous knowledge — without consent, without return. The mechanism is new. The logic is the same.

Raupatu — It is still raupatu

RAUPATU — HE RAUPATU TONU · RAUPATU

Ehara te raupatu i ngā rā o mua. Kua hangaia matihikotia.
Raupatu is not history. It became digital.

3 Patai Mō Ngā Pūnaha AI

3 Questions to Ask About Any AI System

01 **Who built it?**
And whose knowledge did they train on?

02 **Who controls it?**
And who is accountable when it harms?

03 **Who benefits?**
And who carries the cost?

[Te Pā Tūwatawata](#) teaches you how to answer these.

3 Questions

HE AHA ŌU PĀTAI? · 3-QUESTIONS

E toru ngā pātai i mua i tō 'whakaae':
1. Nā wai? 2. Mō wai te painga? 3. Mā wai e whakatau?

Before you click 'accept', ask: whose, who profits, who decides.

Data sovereignty

TE MANA RARAUNGA · TE-MANA-RARAUNGA

Ko te tangata e pupuri ana i ō raraunga, ko ia e pupuri ana i tō anamata.
Whoever holds your data holds your future. Te mana raraunga = tino rangatiratanga.

Data sovereignty — 4 tikanga principles

E WHĀ NGĀ MĀTĀPONO TIKANGA · DATA-SOVEREIGNTY

E whā ngā mātāpono o te mana raraunga:
Whakapapa · Mana · Tapu · Utu

Source, kaitiaki, what to protect, what returns to the iwi.

How to use this kit

Each card on the previous pages is a self-contained social post. Copy the caption text exactly as printed, attach the matching image (URLs are listed under each card), and post.

1. Right-click / long-press the image inside this PDF — or visit the image URL listed — and save the PNG.
2. Copy the caption text from the monospace block above the URLs.
3. Post on X, Bluesky, Mastodon, Substack Notes, or anywhere else. All 6 captions fit X's 280-character limit.
4. Tag a friend, an MP, or a tech company. He raupatu tonu tēnei.
