A USURPAÇÃO NÃO É HISTÓRIA.

É uma usurpação digital.

Tornou-se digital.

Empresas de IA extraem o te reo Māori, o conhecimento Māori e os saberes Indígenas — sem consentimento, sem retorno. O mecanismo é novo. A lógica é a mesma.

3 Pātai — perguntas em te reo Māori

3 Perguntas Para Fazer Sobre Qualquer Sistema de IA

- 01 Quem o construiu?**
E em qual conhecimento foi treinado?
- 02 Quem o controla?**
E quem responde quando causa dano?
- 03 Quem se beneficia?**
E quem paga o preço?

Te Pā Tūwatawata ensina como respondê-las.

How to use this kit

Each card on the previous pages is a self-contained social post. Copy the caption text exactly as printed, attach the matching image (URLs are listed under each card), and post.

1. Right-click / long-press the image inside this PDF — or visit the image URL listed — and save the PNG.
2. Copy the caption text from the monospace block above the URLs.
3. Post on X, Bluesky, Mastodon, Substack Notes, or anywhere else. All 6 captions fit X's 280-character limit.
4. Tag a friend, an MP, or a tech company. He raupatu tonu tēnei.
