How to use this kit

Each card on the previous pages is a self-contained social post. Copy the caption text exactly as printed, attach the matching image (URLs are listed under each card), and post.

1. Right-click / long-press the image inside this PDF — or visit the image URL listed — and save the PNG.
2. Copy the caption text from the monospace block above the URLs.
3. Post on X, Bluesky, Mastodon, Substack Notes, or anywhere else. All 6 captions fit X's 280-character limit.
4. Tag a friend, an MP, or a tech company. He raupatu tonu tēnei.
